

Sticktime & The Who's Your Daddy Horns is a dynamic and electrifying musical ensemble that blends elements of Rock, Funk, Motown and Soul to create a truly unique sound.

For 20 years, Sticktime was Bart, Bob, Rus, Chris and Shane. As Bob moved on to other things, Sticktime had the opportunity to bring on Scott Cizek as lead guitarist. Scotty brought along the Who's Your Daddy Horns. The addition of the horn section opened up an already huge song list with covers from Chicago, Steeley Dan, Van Morrison, The Ides of March, Peter Gabriel, Huey Lewis & The News, Stevie Wonder and all kinds of funky stuff. Powered by a versatile five-piece core, and featuring the powerful brass section of The Who's Your Daddy Horns, this band brings energy and excitement to every stage they grace.

With infectious rhythms, soulful melodies, and captivating performances, Sticktime & The Who's Your Daddy Horns have delighted audiences everywhere they have traveled. From intimate club settings to large festivals, their music transcends genres and brings people together in a celebration of rock, groove and soul.
